Parent's Guide

Pop-a-balls™
Twirl & Pop Turtle™

91-003379-004 ©US

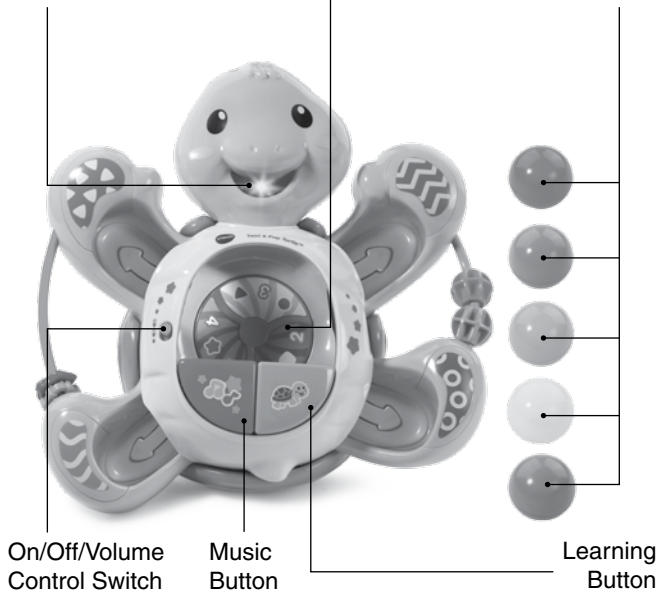

INTRODUCTION

Thank you for purchasing the **VTech® Pop-a-Balls™ Twirl & Pop Turtle™**. Dropping the included five multicolored balls into the turtle's tummy makes the turtle spin around on the floor, popping out the balls at random. By pressing the two buttons on the turtle's shell, your child will learn about numbers, turtle facts and much more through fun and encouraging phrases and sounds.

Tummy

5 Multicolored
Balls

INCLUDED IN THIS PACKAGE

- One VTech® Twirl & Pop Turtle™
- Five multicolored balls
- One parent's guide

WARNING: All packing materials, such as tape, plastic sheets, packaging locks, removable tags, cable ties and packaging screws are not part of this toy, and should be discarded for your child's safety.

ATTENTION: Pour la sécurité de votre enfant, débarrassez-vous de tous les produits d'emballage tels que rubans adhésifs, feuilles de plastique, attaches, étiquettes et vis d'emballage. Ils ne font pas partie du jouet.

NOTE: Please keep this parent's guide as it contains important information.

GETTING STARTED

BATTERY INSTALLATION

1. Make sure the unit is turned **OFF**.
2. Locate the battery cover on the bottom of the turtle. Use a screwdriver to loosen the screw.
3. Install 4 new AA (LR6/AM-3) batteries following the diagram inside the battery box. (The use of new batteries is recommended for maximum performance.)
4. Replace the battery cover and tighten the screw to secure.

BATTERY NOTICE

- Use new alkaline batteries for maximum performance.
- Use only batteries of the same or equivalent type as recommended.
- Do not mix different types of batteries: alkaline, standard (carbon-zinc) or rechargeable, or new and used batteries.
- Do not use damaged batteries.
- Insert batteries with the correct polarity.
- Do not short-circuit the battery terminals.
- Remove exhausted batteries from the toy.
- Remove batteries during long periods of non-use.
- Do not dispose of batteries in fire.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging (if removable).
- Rechargeable batteries are only to be charged under adult supervision.

PRODUCT FEATURES

1. On/Off/Volume Control Switch

To turn the unit **ON**, slide the **On/Off/Volume Control Switch** to the **Low Volume** (🔊) or **High Volume** (🔊) position. You will hear a song and a welcoming phrase. To turn the unit **OFF**, slide the **On/Off/Volume Control Switch** to the **OFF** (●) position.

2. Mode Switch

Slide the **Mode Switch** on the bottom of the turtle to select Drop & Pop Mode () or Spin & Sing Mode () .

3. Automatic Shut Off

To preserve battery life, the **Twirl & Pop Turtle™** will automatically power down after approximately two minutes without input. The unit can be turned on again by pressing the buttons or switching to the other mode.

NOTE: If the unit repeatedly powers down, we suggest changing the batteries.

The infrared light sensors in the turtle's tummy are sensitive to sunlight. The sensors may not perform properly in brightly lit, sunny rooms or under direct sunlight.

The motor does not work well under pressure. For optimal performance, do not press or hold the turtle while the motor is running.

This product is in "try me" mode in the packaging. After opening the package, remove the "try me" tag from the back of the product, and then turn the unit off and on again to proceed with normal play.

ACTIVITIES

1. Music Button

Press the **Music Button** to hear playful melodies in Drop & Pop Mode, or playful songs in Spin & Sing Mode. When a melody or a song is playing, drop a ball into the turtle's tummy to hear fun sounds play over the music. The light will flash with the sounds.

2. Learning Button

Press the **Learning Button** to hear fun sounds, learn about parts of the turtle's body and colors in Drop & Pop Mode, or hear playful phrases and music in Spin & Sing Mode. When music is playing, drop a ball into the turtle's tummy to hear fun sounds play over the music. The light will flash with the sounds.

3. Two Play Modes

Drop a ball into the **Turtle's Tummy** to learn about numbers, hear playful phrases and music in Drop & Pop Mode, or hear fun phrases and melodies in Spin & Sing Mode. When music is playing, drop a ball into the turtle's tummy to hear fun sounds play over the music. The light will flash with the sounds.

4. Popping Balls

In **Drop & Pop Mode**, drop the balls into the turtle's tummy to watch the balls pop out from the turtle's legs and try to drop back into his tummy. In **Spin & Sing Mode**, drop the balls into the turtle's tummy to watch the balls pop out from the turtle's legs and into the room.

SONG LYRICS

SONG 1

Popping and spinning's my favorite thing,
Hey-ho, poppity pop!
Just drop in a ball and then you will see,
Balls will swirl and pop around me!

SONG 2

Hey, listen to the music,
And move to the drum beat,
Dance and pop and spin la la la la!

SONG 3

How many numbers can you count?
1, 2, 3, 4, 5!
Let's count them out!

SONG 4

There was a turtle who liked to move,
Who liked to move, who liked to groove!
There was a turtle who liked to move,
And he always had lots of fun.

MELODY LIST

1. Can Can
2. Pop! Goes the Weasel
3. Glow Worm
4. When the Saints Go Marching In
5. Yankee Doodle
6. This Old Man
7. Turkey in the Straw
8. Ta Ra Ra Boom De Ay
9. Camptown Races
10. Old King Cole
11. Aiken Drum
12. A-Tisket, A-Tasket
13. Bingo
14. Twinkle, Twinkle, Little Star
15. Toyland

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat source.
3. Remove the batteries when the unit will not be in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

TROUBLESHOOTING

If for some reason the program/activity stops working or malfunctions, please follow these steps:

1. Please turn the unit **OFF**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit sit for a few minutes, then replace the batteries.
4. Turn the unit **ON**. The unit should now be ready to play again.
5. If the product still does not work, replace with an entire set of new batteries.

If the problem persists, please call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada, or by going to our website at vtechkids.com and filling out our Contact Us form located under the Customer Support link. A service representative will be happy to help you.

IMPORTANT NOTE:

Creating and developing **VTech®** products is accompanied by a responsibility that we at **VTech®** take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada, or by going to our website at vtechkids.com and filling out our Contact Us form located under the Customer Support link with any problems and/or suggestions that you might have. A service representative will be happy to help you.

Note:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

THIS DEVICE COMPLIES WITH PART 15 OF THE FCC RULES. OPERATION IS SUBJECT TO THE FOLLOWING TWO CONDITIONS:
(1) THIS DEVICE MAY NOT CAUSE HARMFUL INTERFERENCE, AND
(2) THIS DEVICE MUST ACCEPT ANY INTERFERENCE RECEIVED, INCLUDING INTERFERENCE THAT MAY CAUSE UNDESIRE OPERATION.

CAN ICES-3 (B)/NMB-3(B)

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

PRODUCT WARRANTY

This Warranty is applicable only to the original purchaser, is non-transferable and applies only to "VTech" products or parts. This product is covered by a 3-month Warranty from the original purchase date, under normal use and service, against defective workmanship and materials. This Warranty does not apply to (a) consumable parts, such as batteries; (b) cosmetic damage, including but not limited to scratches and dents; (c) damage caused by use with non-VTech products; (d) damage caused by accident, misuse, unreasonable use, immersion in water, neglect, abuse, battery leakage, or improper installation, improper service, or other external causes; (e) damage caused by operating the product outside the permitted or intended uses described by VTech in the owner's manual; (f) a product or part that has been modified (g) defects caused by normal wear and tear or otherwise due to the normal aging of the product; or (h) if any VTech serial number has been removed or defaced.

Prior to returning a product for any reason, please notify the VTech Consumer Services Department by going to our website at vtechkids.com, filling out our Contact Us form located under the Customer Support link or calling 1-800-521-2010.

If the service representative is unable to resolve the issue, you will be provided instructions on how to return the product and have it replaced under Warranty. Return of the product under Warranty must adhere to the following rules: If VTech believes that there may be a defect in the materials or workmanship of the product and can confirm the purchase date and location of the product, we will at our discretion replace the product with a new unit or product of comparable value. A replacement product or parts assumes the remaining Warranty of the original product or 30 days from the date of replacement, whichever provides longer coverage.

THIS WARRANTY AND THE REMEDIES SET FORTH ABOVE ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, REMEDIES AND CONDITIONS, WHETHER ORAL, WRITTEN, STATUTORY, EXPRESS OR IMPLIED. IF VTECH CANNOT LAWFULLY DISCLAIM STATUTORY OR IMPLIED WARRANTIES THEN TO THE EXTENT PERMITTED BY LAW, ALL SUCH WARRANTIES SHALL BE LIMITED TO THE DURATION OF THE EXPRESS WARRANTY AND TO THE REPLACEMENT SERVICE AS DETERMINED BY VTECH IN ITS SOLE DISCRETION.

To the extent permitted by law, VTech will not be responsible for direct, special, incidental or consequential damages resulting from any breach of Warranty.

This Warranty is not intended to persons or entities outside the United States of America. Any disputes resulting from this Warranty shall be subject to the final and conclusive determination of VTech.
