TOUCH LEARNING SYSTEM

MobiGo™

nickelodeon **The PENGUINS**
of **MADAGASCAR**
DREAMWORKS

**Mission
Madness**

Dear Parent,

At **VTech**®, we know how much you enjoy staying on top of the hottest trends and having the most high-tech gadgets around. We also know that your kids feel the same way. With that in mind, we developed **MobiGo**™, a revolutionary way to make learning fun with touch!

MobiGo™ is the next generation of learning. Kids can control how they play, and develop the skills of using touch applications. As kids tap, flick, spin, and drag their way through exciting learning games, they'll experience the same technology and fun as parents do with their touch-screen devices.

When playing with **MobiGo**™, kids can look at, listen to and touch the screen wherever they go to discover a world of fun, while developing knowledge of numbers, letters, spelling, and music which we know is important to you. Learning on the go is now easier than ever with **MobiGo**™.

At **VTech**®, we are dedicated to helping your children uncover their talents. We thank you for your trust in our products that encourage active minds through imaginative play.

Sincerely,

Your friends at **VTech**®

INTRODUCTION

It's touch and go as everybody's favorite penguins, Skipper, Kowalski, Private and Rico plan some adventures for their day at the zoo. Play along on fun-filled missions that will take you all over the zoo while you learn some interesting things along the way!

GETTING STARTED

Insert the Cartridge

Make sure the unit is turned off. Insert the **MobiGo™** cartridge with the label side facing up, and push it until it clicks into place. Press the ON button to turn on **MobiGo™**.

User Profile

Personalize your **MobiGo™** by entering your name and creating a user profile. The profile stores your progress and high score information, which can then be uploaded to the web. However, only one user profile can be stored at a time. Other users can still play the **MobiGo™** by touching the guest icon on the profile screen, but their records will not be saved.

To select your user profile, touch your name on the profile screen. To change the profile name, touch the ABC button.

Basic Operation

The easiest and most common way to play with your **MobiGo™** is by using the touch screen. However, there are also a few important hard keys that you'll need to use from time to time.

The Hard Keys

Exit Button

During a game, press this button to exit the game, or press it within a menu to go back to the previous screen.

Help Button

Press this button when you need help in a game.

QWERTY Keyboard

Slide the screen up to reveal the keyboard. Use it to enter your name in the user profile or to give the answers in some letter-related games.

The Touch Screen

The Main Menu

When a cartridge is plugged in, the main menu will appear, showing all of the available games plus the Options icon. Touch a game to select it.

Options

Select Options from the main menu to turn the background music on or off.

Level

Choose Easy or Difficult level before each game.

Go Fish

The Penguins are tired of eating fake fish biscuits, and they want some real fish. Commence Operation: Go Fish. Fling Private at the local seagulls passing by and try to knock their fish to Rico. Catch as many fish as you can, and then help feed them to the hungry Penguins.

Curriculum: Counting, Addition

The Crown Down Under

King Julien lost his precious crown, and he's driving everybody crazy about it. Commence Operation: The Crown Down Under. Guide Private on a mission underneath the zoo in search of King Julien's crown. Flick him along to get him moving and try to avoid the obstacles along the way.

Curriculum: Shapes, Colors, Logic

Escape from Dr. Blowhole

Oh no! Dr. Blowhole has kidnapped the Penguins and his lobsters are coming after them. Commence Operation: Escape from Dr. Blowhole. Use your logic and smarts to solve the problems and open the locks. Hurry, though, because the lobsters are gaining and you have to unlock all four Penguins!

Curriculum: Typing, Letters, Spelling

Puzzled Penguins

The Penguins want to sneak out of the zoo for a little fun, but Alice is watching them on the TV monitor. Commence Operation: Puzzled Penguins. Put together pictures that will fool Alice into thinking she is seeing them on her monitor. The catch is that the pictures have pieces that are in the wrong place. Solve the puzzles before Alice wakes up and notices they are fake pictures.

Curriculum: Puzzles, Logic

Kingly Bootie Dance

A heatwave is sweeping the zoo and King Julien isn't happy. He wants some rain, and soon. Commence Operation: Kingly Bootie Dance. Follow the sequences and help King Julien complete his rain dancing. Collect the much-needed fruit smoothies along the way to help give him energy.

Curriculum: Memory, Body parts, Fruits

WEB CONNECTIVITY

Connect **MobiGo™** to the internet to download new games and follow your child's learning progress online. Refer to the **MobiGo™** console manual for connection details.

CARE & MAINTENANCE

1. Keep your **MobiGo™** clean by wiping it with a slightly damp cloth. Never use solvents or abrasives.
2. Keep it out of direct sunlight and away from direct sources of heat.
3. Remove the batteries when not using it for an extended period of time.
4. Avoid dropping it. NEVER try to dismantle it.
5. Always keep **MobiGo™** away from water.

WARNING

A very small percentage of the public, due to an existing condition, may experience epileptic seizures or momentary loss of consciousness when viewing certain types of flashing colors or patterns. While the **MobiGo™ Touch Learning System** does not contribute to any additional risks, we do recommend that parents supervise their children while they play video games. If your child experiences dizziness, altered vision, disorientation, or convulsions, discontinue use immediately and consult your physician. Please note that focusing on an LCD screen at close range and handling directional pad controls for a prolonged period of time may cause fatigue or discomfort. We recommend that children take a 15 minute break for every hour of play.

WARNING: All packing materials, such as tape, plastic sheets, packaging locks and tags are not part of this toy, and should be discarded for your child's safety.

ATTENTION: Pour la sécurité de votre enfant, débarrassez-vous de tous les produits d'emballage tels que rubans adhésifs, feuilles de plastique, attaches et étiquettes. Ils ne font pas partie du jouet.

Note: Please keep the user's manual as it contains important information.

● ● ● TROUBLESHOOTING

Please note that if you try to insert or remove a **MobiGo™** cartridge without first turning the unit **OFF**, you may experience a malfunction. If this happens, and the unit does not respond to pressing the **ON/OFF** buttons, disconnect the AC adaptor from the main unit or remove the batteries. Then, reconnect the adaptor, or reinstall the batteries.

● ● ● TECHNICAL SUPPORT

If you have a problem that cannot be solved by using this manual, we encourage you to visit us online or contact our Consumer Services Department with any problems and/or suggestions that you might have. A support representative will be happy to assist you.

Before requesting support, please be ready to provide or include the information below:

- The name of your product or model number (the model number is typically located on the back or bottom of your product).
- The actual problem you are experiencing.
- The actions you took right before the problem started.

ADDRESS: 1155 West Dundee Rd, Suite 130, Arlington Heights, IL 60004 USA

TEL NO: 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada

NOTE:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This Class B digital apparatus complies with Canadian ices-003.

Cet appareil numérique de la classe b est conforme à la norme nmb-003 du Canada.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
